Mobile: +96659698490 Nationality: Italian

A results-driven professional with a strong technical background and proven expertise in management. Combining technical knowledge with exceptional leadership skills, I have successfully led teams and delivered projects in various technical domains. With a track record of achieving business objectives through effective management strategies, I am adept at bridging the gap between technical requirements and organizational goals.

[Education]

- Bachelor of Science in Computer Science, XYZ University, 2012
- Certified Project Management Professional (PMP), Project Management Institute, 2015

[Technical Skills]

- Programming Languages: Java, Python, C++
- Database Management: MySQL, Oracle
- Web Development: HTML, CSS, JavaScript, PHP
- Networking: TCP/IP, DNS, VPN
- Operating Systems: Windows, Linux
- Project Management Tools: JIRA, Trello, Asana

[Work Experience]

Ministry of Interior, Saudi Arabia
